**How has SPORT taught you the importance of goal setting in your life?**

Without setting goals, it is much harder to focus and advance to the next level. Setting goals in golf has helped my game tremendously. Setting goals have also helped me with my personal fitness goals.

**When have you used your personal CONFIDENCE that you developed through sport to help you in a situation in school or in life?**

When we have job fairs in college, I feel much more confident approaching employers, thanks to the skills I used in sport.

**What do you hope to GAIN during your internship this summer?**

I hope to better my people skills and make lifelong connections.
