

Bradley Vespa – University of Alabama, 2020

Bradley is a rising senior at the University of Alabama majoring in marketing/minoring in advertising.

Favorite Sports Memory: “My favorite sports memory was when I played in the PA Junior State Golf Championship in Hershey, PA. I was one of the younger kids in the tournament so I thought I would not succeed. Turns out I played one of my best tournaments and finished in the top 15 in the state.”

Favorite Core Value: My favorite of The First Tee Nine Core Value is respect. My golf coach always told me when I was on the team that you need to be a golfer on and off the course; meaning always respect each other even if you are not playing a sport. This has stuck with me and has made me the person I am today.
