

Dylan Taylor – Georgia Southern University, 2020

Dylan attended Saint Leo University for undergraduate school where he played golf and is currently pursuing his master's degree in political science at Georgia Southern University

Favorite Sports Memory: “Winning the individual conference tournament (golf) my senior year of high school. A large portion of my school came out in support and it honestly surprised me as golf was not a very highly sought-after sport in my town.”

Favorite Core Value: “My favorite of The First Tee Nine Core Values is respect. My grandpa taught me everything there is to know about the game of golf, and I owe everything to him. He said, ‘Respect the course and it’ll pay it back to you. Your opponent is trying just as much as you, so do not try to show off or be boastful. Keep your head down and shake their hand with a smile.’”
